VERSE 3

When you're talkin' to me,
 Don't be cryin' the blues
 'Cause don't nobody bring me no bad news.
 You can verbalize and vocalize
 But just bring me the clues;
 But don't nobody bring me no bad news.

VERSE 4

Bring some message in your head
 Or in something you can't lose,
 But don't you ever bring me no bad news.
 If you're gonna bring me something,
 Bring me something I can use,
 But don't you bring me no bad news.
